

FOR IMMEDIATE RELEASE

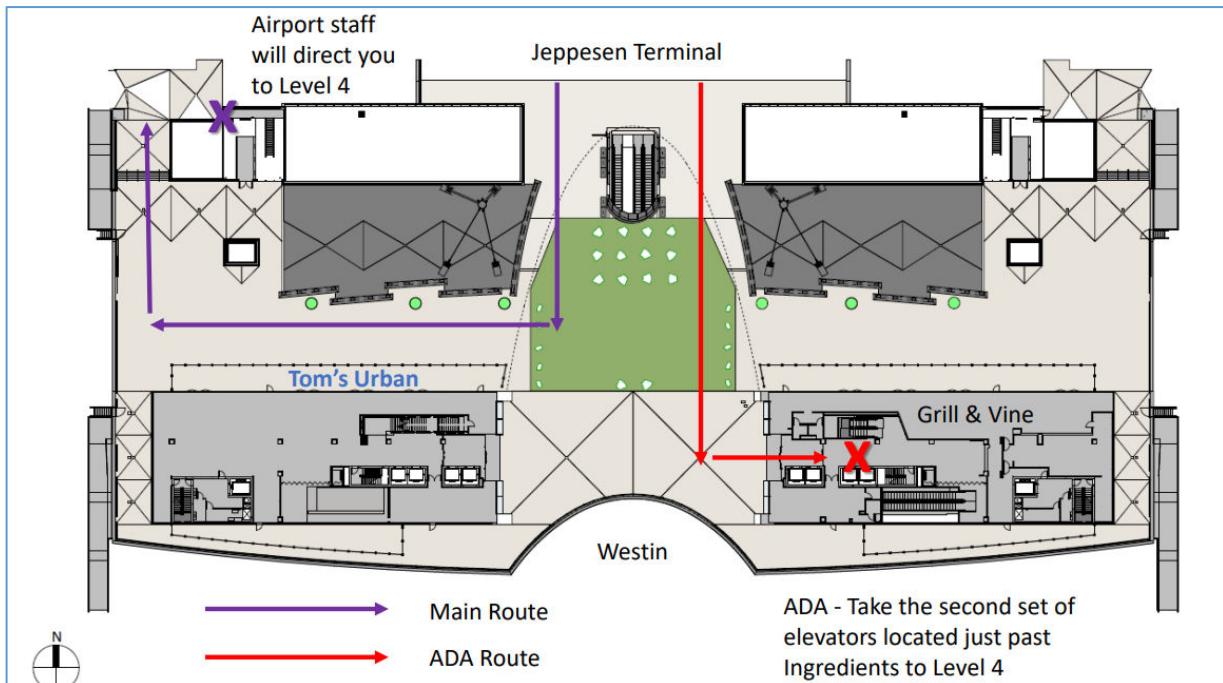

Denver International Airport to Open COVID Vaccine Booster Clinic for Employees and Passengers

DENVER – Dec. 10, 2021 – Denver International Airport (DEN) will open a COVID vaccine booster clinic for passengers and airport employees on six days in December. Passengers and airport employees may schedule an appointment to get their booster COVID vaccine during the following dates and times.

- Monday, Dec. 13, 1-7 p.m.
- Wednesday, Dec. 15, 9 a.m.-3 p.m.
- Sunday, Dec. 19, 10 a.m.-4 p.m.
- Tuesday, Dec. 21, 2-8 p.m.
- Monday, Dec. 27, 2-8 p.m.
- Wednesday, Dec. 29, 9 a.m.-3 p.m.

[Click here to schedule an appointment.](#) Both Pfizer and Moderna vaccines will be offered. Appointments go fast and may not be available on the first attempt, but we encourage passengers to check back frequently as more appointments are added or cancellations take place. Please note that walk-ins will not be accepted.

Appointments are located at Denver International Airport on the 4th floor of the Hotel and Transit Center on the far northwest side of the DEN Plaza. Signs are located on the Plaza labeled “Health Appointment,” which will direct in front of Tom’s Urban Restaurant, then direct north toward the terminal to the entrance of the vaccination clinic.

Take the RTD A-Line for a short walk to the clinic, or park in one of [DEN's parking facilities](#). DEN garage parking costs \$5 per hour and is also a short walk to the clinic.

The CDC has provided [guidance](#) regarding the COVID-19 booster shot, which you should review prior to scheduling an appointment.

What You Need for Your Appointment

- Please complete the Safeway/Albertson's release form prior to your appointment (you can download and print the form after you schedule your appointment).
- Individuals with insurance, please **bring your medical and prescription insurance cards** to the appointment. Safeway will ask for Name, Date of Birth, and insurance information. Your insurance information will be used to bill for the federally approved amount, and you should not receive any bill. Medicare recipients need to bring their new Medicare Part B card (red, white and blue).
- Individuals with no insurance can receive vaccine through this program. Government funds will cover the cost of vaccine dispensing for those who are uninsured.
- **Please do not show up to your appointment more than 15 minutes early – you will be asked to come back at your appointment time.**
- Use your confirmation link to reschedule or cancel an appointment, if needed.

Vaccine Booster Fast Facts

- Safeway/Albertsons will be administering the COVID-19 booster shot.
- You may select whether to receive a Moderna or a Pfizer booster shot regardless of which vaccine you received previously (Moderna, Pfizer or Johnson & Johnson).
- People with a history of severe allergic reaction (e.g., carry an epi-pen) should consult with their primary care physician prior to receiving the vaccine booster.
- You will be asked to wait approximately 15 minutes after receiving vaccine booster before being released.

If you have any questions about the vaccine booster process, please email vaccine@flydenver.com.

Denver International Airport is the third-busiest airport in the United States and one of the top ten busiest airports in the world. DEN is the primary economic engine for the state of Colorado, generating more than \$33 billion for the region annually.
