4 reason of any other circumstance which will not, with certainty, occur during such  
5 period, shall be included in any computation of Junior Lien Debt Service Requirements  
6 prior to the stated or theretofore extended maturity or otherwise certain due dates  
7 thereof, and all such payments shall be deemed to be required on such stated or  
8 theretofore extended maturity dates or otherwise certain due dates.

9 (b) Except for any historical period for which the actual  
10 rate or rates are determinable and except as otherwise provided herein, Junior Lien  
11 Bonds and Junior Lien Obligations which bear interest at a variable rate shall be  
12 deemed to bear interest at a fixed annual rate equal to the prevailing rate of such Junior  
13 Lien Bonds or Junior Lien Obligations on the date of computation or such higher annual  
14 rate as determined to be reasonable by the Treasurer based on market conditions;  
15 provided that in any computation (i) of any applicable minimum reserve requirement set

4 Treasurer based on market conditions.

5 (c) Further, in any computation relating to issuing or  
6 incurring additional Junior Lien Bonds or Junior Lien Obligations required by Article VII  
7 hereof and any computation required by the rate maintenance covenant in § 901

10 such period, including without limitation any amounts in a Junior Lien Bond Escrow  
11 Account and any proceeds of Junior Lien Bonds or Junior Lien Obligations so  
12 committed for the payment of capitalized interest, but not including any amounts on  
13 deposit in the Junior Lien Bond Reserve Account.

15 which bear interest at a variable rate and with respect to which there exists a Junior  
16 Lien Hedge Facility that obligates the City to pay a fixed interest rate shall be deemed

18 Hedge Facility for the full term of such Junior Lien Hedge Facility. In the case of any

7 series or obligation which (i) satisfies the definition of Balloon Maturity set forth below in  
8 provision (h) of this definition and (ii) which the City designates in the Supplemental  
9 Junior Lien Bond Ordinance authorizing such series or obligation shall be treated as a  
10 Balloon Maturity, unless otherwise provided in the applicable Supplemental Junior Lien  
11 Bond Ordinance, shall be calculated by assuming that principal and interest on such  
12 Balloon Maturity is to be amortized over a 30-year period, beginning on the date of  
13 issuance or incurrence, assuming level debt service payable in each year at a rate of  
14 interest equal to the actual rate of interest of such Balloon Maturity on the date of  
15 calculation, provided that if the date of calculation is within 12 months of the final due  
16 date of such Balloon Maturity, the full amount of principal to become due shall be  
17 included in the calculation unless provision (g) of this definition then applies to such  
18 maturity.

19 (f) If all or any portion of an outstanding series of Junior  
20 Lien Bonds or Junior Lien Obligations constitutes Short-Term/Demand Obligations,  
21 then, for purposes of determining Junior Lien Debt Service Requirements, each  
22 maturity that constitutes Short-Term/Demand Obligations shall, unless otherwise  
23 provided in the applicable Supplemental Junior Lien Bond Ordinance, be treated as if it

1 were to be amortized over a term of not more than 30 years and with substantially level  
2 annual debt service funding payments commencing not later than the year following the  
3 year in which such Short-Term/Demand Obligations were issued or incurred, and  
4 extending not later than 30 years from the date such Short-Term/Demand Obligations  
5 were issued or incurred; the interest rate used for such computation shall be that rate  
6 quoted in The Bond Buyer 25 Revenue Bond Index for the last week of the month  
7 preceding the date of calculation as published by *The Bond Buyer*, or if that index is no  
8 longer published, another similar index designated by the Manager, taking into  
9 consideration whether such Junior Lien Bonds or Junior Lien Obligations bear interest  
10 which is or is not excluded from gross income for federal income tax purposes; with  
11 respect to any series of Junior Lien Bonds or Junior Lien Obligations only a portion of  
12 which constitutes Short-Term/Demand Obligations, the remaining portion shall be  
13 assumed to be paid in accordance with any amortization schedule established by the  
14 applicable Supplemental Junior Lien Bond Ordinance or shall be treated as described  
15 in such other provision of this definition as shall be applicable.

16 (g) Any maturity of Junior Lien Bonds or Junior Lien  
17 Obligations that is designated by the City as a Balloon Maturity as described in  
18 provision (e) of this definition and for which the stated maturity date occurs within 12  
19 months from the date such calculation of Junior Lien Debt Service Requirements is  
20 made, shall be assumed to become due and payable on the stated maturity date, and  
21 provision (e) above shall not apply thereto, unless the Treasurer shall file a certificate  
22 with the Clerk stating (i) that the City intends to refinance such maturity, (ii) the probable  
23 terms of such refinancing and (iii) that City has the financial ability to successfully

1 complete such refinancing; upon the receipt of such certificate, such Balloon Maturity  
2 shall be assumed to be refinanced in accordance with the probable terms set out in  
3 such certificate and such terms shall be used for purposes of calculating Junior Lien  
4 Debt Service Requirements; provided that such assumption shall not result in an  
5 interest rate lower than that which would be assumed under provision (e) above and  
6 shall be amortized over a term of not more than 30 years from the expected date of  
7 refinancing.

10 year from the date of issuance or incurrence and is contemplated  
11 to be refinanced for a specified period or term either (A) through

16 of their issuance.

18 of the Junior Lien Bonds of any series pursuant to the terms of a Supplemental Junior

6 application of amounts in the Capital Fund for such purpose, as provided by the  
7 General Bond Ordinance, the Treasurer shall use the proceeds of any series of Junior  
8 Lien Bonds credited to any subaccount in the Project Fund, without further order or  
9 warrant, to pay the Junior Lien Bond Requirements of such series of Junior Lien Bonds  
10 as the same become due whenever and to the extent moneys in the Junior Lien  
11 Obligations Fund are insufficient for that purpose, unless such Junior Lien Bond  
12 proceeds shall be needed to defray Costs accrued and to accrue under any contracts  
13 then existing and relating to a Junior Lien Improvement Project. The Treasurer shall  
14 promptly notify the Mayor and the Manager of any such use of moneys in the Project  
15 Fund. Any moneys so used shall be restored to the appropriate subaccount, from the  
16 first Pledged Revenues thereafter received and not needed to meet the payment  
17 requirements in Sections 507 through 514 of the General Bond Ordinance.

18 Section 406. Completion of Junior Lien Improvement Project. When each  
19 Junior Lien Improvement Project shall have been substantially completed in accordance  
20 with the relevant plans and specifications, and when all Costs due therefor shall have  
21 been paid, or for which reasonable provision shall have been made, the Treasurer,  
22 upon the receipt from the Airport Engineer of a certificate so stating, and upon the  
23 receipt of a written instrument of the Manager so ordering, shall cause to be transferred

1 all surplus moneys, if any, remaining in the appropriate subaccount established in the  
2 Project Fund, except for any moneys designated in the instrument to be retained to pay  
3 any unpaid accrued or contingent Costs, to the Junior Lien Obligations Fund. Upon  
4 such transfers, such subaccount in the Project Fund shall be terminated. Nothing  
5 herein:

6 A. Periodic Transfers. Prevents the Treasurer from causing to be so  
7 transferred from a subaccount in the Project Fund at any time prior to its termination  
8 any moneys which the Airport Engineer and the Manager determine will not be  
9 necessary for a Junior Lien Improvement Project; or

10 B. Limitations Upon Transfers. Requires the transfer of any such  
11 surplus moneys in a subaccount in the Project Fund received as grants, appropriations,  
12 or gifts the use of which moneys is limited by the grantor or donor to the construction of  
13 specifically designated capital facilities or otherwise so that such surplus moneys may  
14 not be properly transferred under the terms of such grants, appropriations, or gifts.

15 Notwithstanding the foregoing provisions of this section, or any other provisions  
16 of this Instrument, any surplus moneys in the Project Fund shall be applied so as to  
17 permit or facilitate compliance with the applicable requirements of the Tax Code, if any,  
18 including without limitation the transfer of any such surplus money to an escrow or other  
19 special account for the payment or redemption of any Junior Lien Bonds.

20 Section 407. Junior Lien Bond Purchaser Not Responsible for Junior Lien  
21 Improvement Project. The validity of any Junior Lien Bonds shall be neither dependent  
22 on nor affected by the validity or regularity of any proceedings relating to the acquisition

1 of any Junior Lien Improvement Project or Junior Lien Refunding Project, or  
2 combination thereof. The Junior Lien Bond Purchaser of such Junior Lien Bonds and  
3 any subsequent owner of any such Junior Lien Bond shall in no manner be responsible  
4 for the application or disposal by the City or by any of its officers, agents, and  
5 employees of the moneys derived from the sale of the Junior Lien Bonds.

6 Section 408. Lien on Junior Lien Bond Proceeds. Until proceeds of any series  
7 of Junior Lien Bonds credited to the Project Fund are applied as hereinabove provided,  
8 such proceeds shall be subject to a lien thereon and pledge thereof for the benefit of  
9 the owners of such series of Junior Lien Bonds and, to the extent provided by  
10 Supplemental Junior Lien Bond Ordinance, the provider of a related Junior Lien Credit  
11 Facility.

12 Section 409. Modifications of Junior Lien Improvement Project. The City, acting  
13 through the Manager or otherwise, reserves the right to make alterations of, additions  
14 to, and deletions from any Junior Lien Improvement Project prior to the withdrawal of all  
15 moneys accounted for in the applicable subaccount in the Project Fund in accordance  
16 with this article; but any such alterations, additions, and deletions shall not, in the  
17 opinion of the Airport Consultant, render the City incapable of performing its obligations  
18 under any rate maintenance covenant in respect of Junior Lien Bonds.

## 19 ARTICLE V

### 20 ADMINISTRATION OF AND ACCOUNTING FOR PLEDGED REVENUES

21 Section 501. Generally. So long as any Junior Lien Bonds remain Outstanding  
22 or Junior Lien Obligations remain unpaid, the Gross Revenues of the Airport System,

1 upon their receipt from time to time by the City, shall continue to be set aside and  
2 immediately deposited to the credit of the Revenue Fund; and so long as any Junior  
3 Lien Bonds remain Outstanding or Junior Lien Obligations remain unpaid, the Revenue  
4 Fund shall be administered, and the moneys on deposit therein shall be applied in the  
5 order of priority, as provided in the General Bond Ordinance, the General Subordinate  
6 Bond Ordinance and this Instrument. Separate funds, accounts, and subaccounts (in  
7 addition to those created in the General Bond Ordinance and the General Subordinate  
8 Bond Ordinance) may be created by Supplemental Junior Lien Bond Ordinance in  
9 connection with any Junior Lien Bonds or Junior Lien Obligations; provided, however  
10 that the accumulation and application of any Net Revenues for such purposes shall be  
11 on a parity with or subordinate to the accumulation and application of Net Revenues  
12 required by Section 502 hereof.

13           Section 502. Junior Lien Obligations Fund. The City hereby affirms the creation  
14 by the Hotel Ordinance of a special and separate account in the Airport System Fund  
15 designated the "City and County of Denver, Colorado, Airport System Junior Lien  
16 Obligations Fund." The Junior Lien Obligations Fund shall be under the control of the  
17 City and shall be administered as provided herein and generally as provided in Article  
18 VI of the General Bond Ordinance.

19           From any moneys remaining in the Revenue Fund, after making all payments  
20 required by Section 507 through 512 of the General Bond Ordinance, there shall be  
21 credited by the City not less frequently than monthly to the Junior Lien Obligations Fund  
22 such amounts as may be required to pay Junior Lien Debt Service Requirements of, or  
23 purchase price or other amounts due in respect of, Junior Lien Bonds and Junior Lien

1 Obligations, including required reserves therefor, as provided by any Supplemental  
2 Junior Lien Ordinance, instrument or agreement.

3 The City hereby establishes and creates the following special and separate  
4 subaccounts within the Junior Lien Obligations Fund, which subaccounts shall be under  
5 the control of the City:

6 A. Interest Account. The "City and County of Denver, Airport System  
7 Junior Lien Revenue Bonds, Interest Account," a subaccount within the Junior Lien  
8 Obligations Fund;

9 B. Principal and Junior Lien Obligation Account. The "City and  
10 County of Denver, Airport System Junior Lien Revenue Bonds, Principal and Junior  
11 Lien Obligation Account," a subaccount within the Junior Lien Obligations Fund;

12 C. Sinking Fund Account. The "City and County of Denver, Airport  
13 System Junior Lien Revenue Bonds, Sinking Fund Account," a subaccount within the  
14 Junior Lien Obligations Fund;

15 D. Redemption Account. The "City and County of Denver, Airport  
16 System Junior Lien Revenue Bonds, Redemption Account," a subaccount within the  
17 Junior Lien Obligations Fund;

18 As a first charge on moneys credited to the Junior Lien Obligations Fund, such  
19 moneys shall be credited to the following subaccounts of the Junior Lien Obligations  
20 Fund, in the following order of priority:

1           A.     Interest Account. Except as otherwise provided by Supplemental  
2 Junior Lien Bond Ordinance, monthly, to the Interest Account and any subaccount  
3 therein, commencing on the first day of the month immediately succeeding the issuance  
4 of any Junior Lien Bonds, an amount which if made in substantially equal installments  
5 thereafter would be sufficient, together with any other moneys from time to time  
6 available therefor from whatever source, including without limitation moneys in the  
7 Capitalized Interest Account set aside for the payment of such interest, to pay the next  
8 maturing installment of interest on such series of Junior Lien Bonds. In computing any  
9 required credit with respect to any Junior Lien Bonds bearing interest at a variable rate,  
10 the interest rate used shall be as provided by Supplemental Junior Lien Bond  
11 Ordinance. Moneys accounted for in the Interest Account shall be used to pay interest  
12 on Outstanding Junior Lien Bonds, as it becomes due.

13           B.     Principal and Junior Lien Obligation Account. Except as otherwise  
14 provided by Supplemental Junior Lien Bond Ordinance, monthly, to the Principal and  
15 Junior Lien Obligation Account and any subaccount therein, (i) commencing on the first  
16 day of the month immediately succeeding the issuance of any Serial Junior Lien Bonds,  
17 or commencing one year prior to the first fixed maturity date of such Serial Junior Lien  
18 Bonds, whichever date is later, an amount which if made in substantially equal  
19 installments thereafter would be sufficient, together with any other moneys from time to  
20 time available therefor from whatever source, to pay the next maturing installment of  
21 principal of such Serial Junior Lien Bonds, and (ii) commencing on the first day of the  
22 month immediately succeeding the incurrence of any Junior Lien Contract Obligation, or  
23 commencing one year prior to the first scheduled payment date under such Junior Lien

1 Contract Obligation, whichever date is later, an amount which if made in substantially  
2 equal installments thereafter would be sufficient, together with any other moneys from  
3 time to time available therefor from whatever source, to pay the next scheduled  
4 payment under such Junior Lien Contract Obligation. Moneys accounted for in the  
5 Principal Account shall be used to pay the principal of Outstanding Serial Junior Lien  
6 Bonds, as they mature, and scheduled payments under Junior Lien Contract  
7 Obligations.

8 The City hereby affirms the creation of certain subaccounts and accounts within  
9 the Junior Lien Obligations Fund by Section 303 of the Hotel Ordinance and such  
10 accounts and subaccounts shall be deemed to have been created within this Principal  
11 and Junior Lien Obligation Account. Amounts required to be credited to the Airport  
12 Hotel Junior Lien Obligations Account (as defined in the Hotel Ordinance) in  
13 accordance with Section 304 of the Hotel Ordinance shall be on a parity with the  
14 accumulation and application of Net Revenues for the payment of Junior Lien Bonds.

15 C. Sinking Fund Account. Except as otherwise provided by  
16 Supplemental Junior Lien Bond Ordinance, monthly to the Sinking Fund Account,  
17 commencing on the first day of the twelfth calendar month prior to the date on which the  
18 City is required to pay any Term Junior Lien Bonds, one-twelfth of the amount  
19 necessary, together with any other moneys from time to time available therefor from  
20 whatever source, to pay the Redemption Price or principal of such Term Junior Lien  
21 Bonds to become due. Moneys shall be so credited to the Sinking Fund Account on the  
22 same priority as moneys credited to the Principal Account, and moneys accounted for  
23 in the Sinking Fund Account shall be applied to pay the Term Junior Lien Bonds so

1 scheduled to be retired in any year by mandatory redemption, at fixed maturity, or  
2 otherwise.

3 D. Redemption Account. Except as otherwise provided by  
4 Supplemental Junior Lien Bond Ordinance, to the Redemption Account, on or prior to  
5 any date on which the City exercises its option to call for prior redemption any Junior  
6 Lien Bonds, an amount necessary to pay the Redemption Price of such Junior Lien  
7 Bonds on such Redemption Date, except to the extent any other moneys, including  
8 without limitation moneys in any Junior Lien Bond Escrow Account, are available  
9 therefor.

10 If any credit required to be made to any subaccount within the Junior Lien  
11 Obligations Fund (other than the Redemption Account) is deficient, the City shall  
12 include in the next required credit on a cumulative basis, the sum of any such deficiency  
13 or deficiencies. The moneys credited to the Interest Account, the Principal Account, the  
14 Sinking Fund Account, and the Redemption Account within the Junior Lien Obligations  
15 Fund, and the Capitalized Interest Account within the Project Fund, shall be used to pay  
16 the Junior Lien Bond Requirements of the Junior Lien Bonds as the same become due.  
17 Any money accounted for in the Interest Account, the Principal Account, the Sinking  
18 Fund Account, or the Redemption Account which is in excess of the amount required  
19 for Junior Lien Bond Requirements next payable therefrom shall be used for the  
20 purposes as provided in Section 503 hereof.

1           Separate subaccounts for such purposes may be created within the Junior Lien  
2 Obligations Fund and any accounts therein by Supplemental Junior Lien Bond  
3 Ordinance.

4           Except as otherwise provided herein, any such accounts or subaccounts may be  
5 pledged solely to the payment of any one or more series of Junior Lien Bonds or one or  
6 more Junior Lien Obligations.

7           Section 503. Junior Lien Bond Reserve Account. The City hereby establishes  
8 and creates a special and separate subaccount within the Junior Lien Obligations Fund  
9 designated "The City and County of Denver, Airport System Junior Lien Revenue  
10 Bonds, Bond Reserve Account" which shall be under the control of the City. As a  
11 second charge on moneys credited to the Junior Lien Obligations Fund, after making all  
12 credits as required by Section 502, there shall be credited to the Junior Lien Bond  
13 Reserve Account and any subaccount created therein as provided by Supplemental  
14 Junior Lien Bond Ordinance, in addition to any moneys required to be deposited therein  
15 by § 401D hereof, not less frequently than monthly, commencing no later than the first  
16 day of the month next succeeding each date on which any series of Junior Lien Bonds  
17 with respect to which a Minimum Junior Lien Bond Reserve has been designated is  
18 issued or on which the amounts credited thereto are less than the Minimum Junior Lien  
19 Bond Reserve, if any, with respect to the applicable series of Junior Lien Bonds, an  
20 amount in cash or Investment Securities, or both, which, if made in substantially equal  
21 installments thereafter, would be sufficient to accumulate each Minimum Junior Lien  
22 Bond Reserve on or before the first day of the sixtieth month following the date of  
23 commencement (taking into account, in all such cases, the known minimum gain from

1 Investment Securities to be received by the City over such period). Any interest earned  
2 on, or any profit realized from the liquidation of, the investments of amounts on deposit  
3 in the Junior Lien Bond Reserve Account or any subaccount created therein shall  
4 remain in the Junior Lien Bond Reserve Account or the applicable subaccount until the  
5 moneys accounted for therein shall equal the applicable Minimum Junior Lien Bond  
6 Reserve. A Minimum Junior Lien Bond Reserve may be, but is not required to be,  
7 established with respect to any series of Junior Lien Bonds. No payment need be  
8 made into the Junior Lien Bond Reserve Account or any subaccount therein so long as  
9 the moneys therein shall equal not less than the Minimum Junior Lien Bond Reserve  
10 with respect to all applicable Junior Lien Bonds, and any moneys therein exceeding the  
11 Minimum Junior Lien Bond Reserve with respect to all applicable Junior Lien Bonds  
12 shall be transferred as Gross Revenues to the Revenue Fund and be used for the  
13 purposes thereof, as herein provided.

14 In the event any Supplemental Junior Lien Bond Ordinance so provides, the City  
15 may at any time or from time to time deposit a Junior Lien Credit Facility in the Junior  
16 Lien Bond Reserve Account in full or partial satisfaction of the applicable Minimum  
17 Junior Lien Bond Reserve; provided that any such Junior Lien Credit Facility shall be  
18 payable on any date on which moneys will be required to be withdrawn from the Junior  
19 Lien Bond Reserve Account as provided in the applicable Supplemental Junior Lien  
20 Bond Ordinance.

21 The moneys in the Junior Lien Bond Reserve Account (including, as a part  
22 thereof, the amounts payable under a Junior Lien Credit Facility) shall be maintained as  
23 a continuing reserve to be used, except as provided in § 505 hereof, only to prevent

1 deficiencies in the payment of the Junior Lien Bond Requirements of the applicable  
2 series of Junior Lien Bonds resulting from the failure to deposit into the Junior Lien  
3 Obligations Fund sufficient funds to pay such Junior Lien Bond Requirements as the  
4 same accrue.

5 Section 504. Junior Lien Bond Escrow Account. In connection with any Junior  
6 Lien Refunding Bonds, the City may by Supplemental Junior Lien Bond Ordinance  
7 establish with a designated Junior Lien Bond Escrow Bank a Junior Lien Bond Escrow  
8 Account as further provided in Section 401A hereof.

9 Section 505. Termination of Deposits. No payment need be made into the  
10 Junior Lien Obligations Fund, if the amounts therein and available therefor total a sum  
11 at least equal to all Junior Lien Debt Service Requirements thereafter becoming due, in  
12 which case moneys therein in an amount at least equal to such Junior Lien Debt  
13 Service Requirements (taking into account the known minimum gain from any  
14 investment of such moneys in Investment Securities from the time of any such  
15 investment to the time or respective times the proceeds of any such investment or  
16 deposit shall be needed for such payment) shall be used (together with any such gain  
17 from such investments) solely to pay such Junior Lien Debt Service Requirements as  
18 the same become due; and any moneys in excess thereof and any other moneys  
19 derived from the Pledged Revenues may be used as provided by the General Bond  
20 Ordinance.

21 Section 506. Funds Held for Junior Lien Bonds/Junior Lien Obligations. The  
22 amounts held or applied for the payment of the Junior Lien Bond Requirements due on

1 any date with respect to any Junior Lien Obligations or a particular series of Junior Lien  
2 Bonds shall be set aside and held in trust for the beneficiaries of such Junior Lien  
3 Obligations or owners of such Junior Lien Bonds by any agent holding moneys for such  
4 payments; and for the purposes of this Instrument, such Junior Lien Bond  
5 Requirements, after the due date thereof, shall no longer be considered to be  
6 Outstanding.

7 Section 507. Cancellation of Junior Lien Bonds. Except as otherwise provided  
8 by Supplemental Junior Lien Bond Ordinance, all Junior Lien Bonds paid or redeemed,  
9 either at or before maturity shall be delivered to the City when such payment or  
10 redemption is made, and such Junior Lien Bonds shall thereupon be promptly  
11 cancelled. Junior Lien Bonds so cancelled may, to the extent permitted by law, at any  
12 time be destroyed by the City.

18 manner required by the General Bond Ordinance.

19 Section 602. Payment of Junior Lien Debt Service Requirements. The moneys

2 obligations payable from such account or subaccount as the same are due, except to  
3 the extent any other moneys are available therefor.

7 Section 701. Subordinate Lien. The Junior Lien Bonds issued hereunder, and  
8 to the extent provided by Supplemental Junior Lien Bond Ordinance, any Junior Lien

10 Maintenance Expenses of the Airport System, constitute an irrevocable lien (but not  
11 necessarily an exclusive lien) upon the Gross Revenues of the Airport System,  
12 subordinate to the prior lien thereon of Senior Bonds and any Obligations and of  
13 Subordinate Bonds and any Subordinate Obligations.

14 Section 702. Additional Junior Lien Bonds for Junior Lien Improvement Projects.  
15 After the first issuance of any Junior Lien Bonds of any series hereunder, additional  
16 Junior Lien Bonds of one or more series may be authorized and delivered for the  
17 purpose of paying the Cost of any Junior Lien Improvement Project. Prior to the first

19 with the Clerk the certificates, opinions and reports described in subsections A through  
20 C below:

21 A. Absence of Default. A certificate of the Manager to the effect that

13 (1) the amounts needed for making the required deposits to the  
14 credit of the several subaccounts (other than the Redemption Account or  
15 any similar account) in the Bond Fund, the Bond Reserve Fund, the

17 Operation and Maintenance Reserve Account, or

12 credit of the several subaccounts (other than the Redemption Account or  
13 other similar account) in the Bond Fund, the Bond Reserve Fund, the

15 Operation and Maintenance Reserve Account, or

16 (2) an amount not less than 110% of the sum of the aggregate  
17 Debt Service Requirements, Subordinate Debt Service Requirements, and  
18 Junior Lien Debt Service Requirements for each such Fiscal Year, the  
19 Junior Lien Debt Service Requirements of the series of Junior Lien Bonds  
20 then to be issued, and the Debt Service Requirements, Subordinate Debt  
21 Service Requirements, and Junior Lien Debt Service Requirements in  
22 respect of any future Senior Bonds, Subordinate Bonds, Subordinate  
23 Obligations, Junior Lien Bonds, or Junior Lien Obligations, which the

1           Manager shall estimate will be required to complete payment of the Cost  
2           of such Improvement Project, Subordinate Bond Improvement Project, or  
3           Junior Lien Improvement Project (such Debt Service Requirements,  
4           Subordinate Debt Service Requirements, or Junior Lien Debt Service  
5           Requirements to be estimated by the Airport Consultant or by the  
6           Financial Advisor, if any), in each case after giving effect, among other  
7           factors, to the increase in Operation and Maintenance Expenses and to  
8           the completion of the Improvement Project, Subordinate Bond  
9           Improvement Project or Junior Lien Improvement Project, or any  
10          completed portion thereof, and the increase in rates, fees, rentals, or  
11          other charges (or any combination thereof) as a result of the completion of  
12          such Improvement Project, Subordinate Bond Improvement Project or  
13          Junior Lien Improvement Project, or any such completed portion thereof.

14           In any computation required by this section, there shall be excluded from Gross  
15          Revenues any capital gain resulting from any sale or revaluation of Investment  
16          Securities or bank deposits, or both. If the instruments required by this section cannot  
17          be given with the required results stated therein, the City may not issue the proposed  
18          Junior Lien Bonds. Nothing contained in this section obligates the City to take any  
19          action in violation of any applicable requirements imposed by law, as to any increase in  
20          any rentals, rates, fees and other charges or otherwise. Notwithstanding anything  
21          contained herein to the contrary, in any computation required by this section, (x) there  
22          shall be excluded from Gross Revenues any Hotel Revenues and from the calculation  
23          of Junior Lien Debt Service Requirements any amounts payable in respect of the Hotel

2 Bond Ordinance, there shall be excluded from Gross Revenues any specified income  
3 or revenues derived from a defined portion of the Airport System and from the  
4 calculation of Junior Lien Debt Service Requirements any amounts payable in respect  
5 of a Junior Lien Contract Obligation the payment of which is limited by reference to  
6 such specified income or revenues derived from such defined portion of the Airport  
7 System.

8 Section 703. Junior Lien Refunding Bonds. Except as provided in Section 704  
9 hereof, Junior Lien Refunding Bonds may be delivered without compliance with Section  
10 702 hereof in such principal amounts as may be necessary to effect a Junior Lien  
11 Refunding Project, if prior thereto or simultaneously therewith there are filed with the  
12 Clerk:

13 A. Defeasance Redemption Instructions. If any Senior Bonds,  
14 Subordinate Bonds or Junior Lien Bonds are to be refunded, a certificate of the  
15 Treasurer to the effect that the Bond Requirements of the Senior Bonds or the  
16 Subordinate Bond Requirements of the Subordinate Bonds or the Junior Lien Bond  
17 Requirements of the Junior Lien Bonds will upon the delivery of the Junior Lien  
18 Refunding Bonds be paid or be deemed to be paid within the meaning of Section 1101  
19 hereof; and

20 B. Sufficient Payment Amount. If Junior Lien Obligations are to be  
21 refunded, a certificate of the Treasurer to the effect that moneys sufficient to effect  
22 payment of the Junior Lien Obligations, as the same become due, will upon the delivery

1 of the Junior Lien Refunding Bonds be held (or are required to be deposited) with the  
2 applicable payment agent in trust for such purpose.

3           Section 704. Refunding Junior Obligations. Junior Lien Refunding Bonds issued  
4 to refund obligations having a lien on the Net Revenues of the Airport System  
5 subordinate to the lien thereon of the Junior Lien Bonds or Junior Lien Obligations may  
6 be issued in such principal amount as may be necessary to effect a Junior Lien  
7 Refunding Project; if, in addition to the requirements of Section 703 hereof (treating  
8 such obligations being refunded for such purpose as either Junior Lien Bonds or Junior  
9 Lien Obligations depending on their character), the City furnishes and files with the  
10 Clerk the instruments required by Section 702 hereof; provided that for purposes of  
11 such instruments, the Junior Lien Refunding Bonds to be so issued shall be treated, as  
12 nearly as practicable, as Junior Lien Bonds issued for a Junior Lien Improvement  
13 Project.

14           Section 705. Junior Obligations Permitted. Nothing herein prevents the City or  
15 the City for and on behalf of the Department from issuing securities or incurring other  
16 obligations having a lien on the Net Revenues of the Airport System subordinate to the  
17 lien thereon of Junior Lien Bonds and Junior Lien Obligations and/or subordinate to the  
18 lien thereon of any other bonds, securities, or other obligations having a lien thereon  
19 subordinate to the lien thereon of Junior Lien Bonds and Junior Lien Obligations. Any  
20 such other securities or obligations may be authorized by any instrument of the City,  
21 which, subject to the provisions of the General Bond Ordinance and this Instrument (i)  
22 may pledge all or any designated portion of the Net Revenues to the payment of any  
23 such other securities or obligations; (ii) shall provide the terms and conditions of any

1 such other securities or obligations (iii) shall provide for the payment of any such other  
2 securities or obligations including the creation of accounts and reserves for such  
3 purpose if deemed necessary; and (iv) may provide for any other related matters.

4 Section 706. Additional Senior Bonds and Subordinate Bonds Permitted. The  
5 City or the City for and on behalf of the Department may issue additional Senior Bonds  
6 and incur other Obligations in the manner and otherwise as provided by the General  
7 Bond Ordinance and may issue additional Subordinate Bonds and incur Subordinate  
8 Obligations in the manner and otherwise as provided by the General Subordinate Bond  
9 Ordinance.

10 Section 707. Junior Lien Obligations. The City or the City for and on behalf of  
11 the Department may incur Junior Lien Obligations in connection with the issuance of  
12 Bonds, Subordinate Bonds or Junior Lien Bonds or for any Junior Lien Improvement  
13 Project or Junior Lien Refunding Project. Such Junior Lien Obligations shall be incurred  
14 pursuant to a Supplemental Junior Lien Bond Ordinance, which (i) may pledge all or  
15 any designated portion of the Net Revenues to the payment of such Junior Lien  
16 Obligations; (ii) shall provide the terms and conditions of such Junior Lien Obligations;  
17 (iii) shall provide for the payment of such Junior Lien Obligations; (iv) may provide that  
18 all or any designated provisions of this Instrument shall be deemed to apply to the  
19 fullest extent practicable; and (v) may provide for such other matters as the City may  
20 determine. Prior to the incurrence of any additional Junior Lien Obligations (apart from  
21 the Hotel Junior Lien Obligation) there shall be filed with the Clerk the certificates  
22 described in subsections A through C of Section 702 hereof; provided that for the

1 purposes of such certificates, opinions and reports Junior Lien Obligations shall be  
2 treated, as nearly as practicable, as Junior Lien Bonds.

3 **ARTICLE VIII**

4 **SPECIAL FACILITIES AND SPECIAL FACILITIES BONDS**

5 Section 801. Privileges Reserved. The City or the City for and on behalf of the  
6 Department may enter into contracts pursuant to which the City will agree to construct  
7 Special Facilities to be financed by the issuance of Special Facilities Bonds; and the  
8 City or the City for and on behalf of the Department may lease such Special Facilities  
9 upon the conditions provided in the General Bond Ordinance.

10 **ARTICLE IX**

11 **RENTALS, RATES, FEES, AND OTHER CHARGES**

12 Section 901. Rate Maintenance Covenant. The City covenants that it shall at all  
13 times fix, revise, charge, and collect rentals, rates, fees, and other charges for the use  
14 of the Airport System in order that in each Fiscal Year the Gross Revenues, together  
15 with any Other Available Funds, will at all times be at least sufficient:

16 A. To provide for the payment of Operation and Maintenance  
17 Expenses for such Fiscal Year, and

18 B. To provide for the greater of either:

1                   (1)     The amounts needed for making the required deposits in the  
2                   Fiscal Year to the credit of the several subaccounts in the Bond Fund  
3                   (other than the Redemption Account or any similar account) and to the  
4                   credit of the Bond Reserve Fund, the Subordinate Bond Fund, the Junior  
5                   Lien Obligations Fund and the Operation and Maintenance Reserve  
6                   Account; or

7                   (2)     An amount not less than 110% of the aggregate Debt  
8                   Service Requirements, Subordinate Debt Service Requirements, and  
9                   Junior Lien Debt Service Requirements for such Fiscal Year.

10                In any computation hereinabove required by this section, there shall be excluded  
11                from the Gross Revenues any capital gain resulting from any sale or revaluation of  
12                Investment Securities or bank deposits, or both. Nothing contained in this section  
13                obligates the City to take any action in violation of any applicable requirements imposed  
14                by law. All such rentals, rates, fees, and other charges for the use of the Airport  
15                System must be reasonable in relation to the cost of providing, operating, and  
16                maintaining the particular Facility and the services furnished by such Facility.  
17                Notwithstanding anything contained herein to the contrary, in any computation required  
18                by this section, there shall be excluded from Gross Revenues any Hotel Revenues and  
19                from the calculation of Junior Lien Debt Service Requirements any amounts payable in  
20                respect of the Hotel Junior Lien Obligation.

21                Section 902. Increasing Revenues. The City covenants that if the Gross  
22                Revenues in any Fiscal Year, together with any Other Available Funds, are less than

1 the amounts specified above in §901, upon the receipt of the audit report for the Fiscal  
2 Year, the Manager will require the Airport Consultant to make recommendations as to  
3 the revision of the schedule of rentals, rates, fees, and charges; and upon receiving  
4 such recommendations or giving reasonable opportunity for such recommendations to  
5 be made, the Manager, on the basis of such recommendations and other information  
6 available to the Manager, will revise the schedule of rentals, rates, fees, and charges  
7 for the use of the Airport as may be necessary to produce Gross Revenues as  
8 aforesaid.

9           Section 903. Compliance with Recommendations. If the Manager shall comply  
10 with §902 hereof, there shall be no event of default under the provisions §1203E  
11 hereof, even though the Gross Revenues, together with any Other Available Funds, are  
12 not actually sufficient to provide funds in the amounts required for such Fiscal Year.

13           Section 904. Collection of Charges. The City shall cause all rentals, rates, fees,  
14 and charges relating to the Airport System to be collected as soon as is reasonable and  
15 shall prescribe and enforce rules and regulations or impose contractual obligations for  
16 the payment thereof, including without limitation the imposition of penalties for any  
17 defaults, to the end that the Pledged Revenues shall be adequate to meet the  
18 requirements of this Instrument. The rentals, rates, fees, and charges due shall be  
19 collected in any lawful manner.

1 **ARTICLE X**

2 **MISCELLANEOUS PROTECTIVE COVENANTS**

3 Section 1001. General. The City hereby particularly covenants and agrees with  
4 the owners of Junior Lien Bonds and makes provisions which shall be a part of its  
5 contract with such owners to the effect and with the purpose set forth in the following  
6 provisions of this article. The City may, by Supplemental Junior Lien Bond Ordinance  
7 or in any agreement relating to any Junior Lien Obligation, agree to any and all  
8 covenants and agreements contained in this Section 1001 as well as any additional  
9 covenants or agreements with respect to any Junior Lien Obligations.

10 Section 1002. Performance of Duties. The City shall faithfully and punctually  
11 perform or cause to be performed all duties with respect to the Pledged Revenues, the  
12 Airport System, and any Special Facilities required by the Constitution and laws of the  
13 State and various ordinances, resolutions, and other instruments of the City, including,  
14 without limitation, the proper segregation of the proceeds of each series of Junior Lien  
15 Bonds relating to the Airport System and the Pledged Revenues and their application  
16 from time to time to the respective accounts provided therefor.

17 Section 1003. Conditions Precedent. Upon the date of issuance of any Junior  
18 Lien Bonds, all conditions, acts, and things required by the Constitution or statutes of  
19 the United States, the Constitution or statutes of the State, the Charter, this Instrument,  
20 or any Supplemental Junior Lien Bond Ordinance, to exist, to have happened, and to  
21 have been performed precedent to or in the issuance of the Junior Lien Bonds shall  
22 exist, have happened, and have been performed; and the Junior Lien Bonds, together

1 with all other obligations of the City, shall not contravene any debt or other limitation  
2 prescribed by the Constitution or statutes of the United States, the Constitution or  
3 statutes of the State, or the Charter.

4 Section 1004. Competing Airport Facilities. Unless, in an Attorney's Opinion,  
5 compliance with this covenant in a particular situation would violate Federal or State  
6 antitrust laws, the City shall neither construct, affirmatively permit to be constructed,  
7 facilitate the construction or operation of, or enter into any agreement permitting or  
8 otherwise facilitating the construction or operation of, other facilities to be operated by  
9 any person and competing with the operation of the Airport in a manner that would, in  
10 the opinion of the Manager, materially and adversely affect the City's ability to comply  
11 with any rate maintenance covenant in respect of Junior Lien Bonds; but nothing herein  
12 prevents the City from participating in a joint action agency, other regional entity, or as a  
13 party to any inter-governmental agreement for the acquisition, operation and  
14 maintenance of airport facilities if adequate provision has been made for the payment  
15 of all Junior Lien Bond Requirements of all Outstanding Junior Lien Bonds or if such  
16 acquisition, operation and maintenance, in the written opinion of the Airport Consultant,  
17 will not materially and adversely affect the City's ability to comply with the requirements  
18 of any such rate maintenance covenant. Nothing herein contained, however, impairs  
19 the police power of the City.

20 Section 1005. Corporate Existence. The City shall maintain its corporate  
21 identity and existence so long as any Junior Lien Bonds remain Outstanding, unless  
22 another body corporate and politic, by operation of law or by contract, succeeds to the  
23 duties, privileges, powers, liabilities, disabilities, immunities, and rights of the City with

1 respect to the Airport System without, in an Attorney's Opinion, adversely and materially  
2 affecting the privileges and rights of any owner of any Outstanding Junior Lien Bond.

3       Section 1006. Disposal of Airport Prohibited. Except in the normal course of  
4 business and except as otherwise provided by Sections 1007 and 1008 hereof, neither  
5 all nor a substantial part of the Airport System shall be sold, leased, mortgaged,  
6 pledged, encumbered, alienated, or otherwise disposed of until all Junior Lien Bonds  
7 have been paid in full, as to all Junior Lien Bond Requirements; provided, however, that  
8 the City may transfer all or a substantial part of the Airport System to another body  
9 politic and corporate (including without limitation any successor of the City) if such body  
10 politic and corporate succeeds to the duties, privileges, powers, liabilities, disabilities,  
11 immunities and rights of the City with respect to the Airport System, or such substantial  
12 part thereof, without, in an Attorney's Opinion, adversely and materially affecting the  
13 privileges and rights of any owner of any Outstanding Junior Lien Bonds. In the event  
14 of any such transfer and assumption, nothing herein prevents the retention by the City  
15 of any Facility of the Airport if, in an Attorney's Opinion, such retention will not materially  
16 and adversely affect the privileges and rights of any owner of any Outstanding Junior  
17 Lien Bonds. All easements and licenses on, over, or across the Airport shall be  
18 revocable in nature, and any instrument conveying such an interest shall require the  
19 grantee to relocate the facility covered thereby without cost to the City if such relocation  
20 is determined by the Manager to be necessary to the proper operation or development  
21 of the Airport.

22       Section 1007. Leases. The City may execute leases, licenses, easements, or  
23 other agreements for the use of any part of the Airport System with the Federal

1 Government or any other persons, if such instrument shall not, in the opinion of the  
2 Manager, materially and adversely affect the City's ability to comply with the  
3 requirements of any rate maintenance covenant in respect of Junior Lien Bonds.

4 Section 1008. Disposal of Unnecessary Property. The City may sell, lease,  
5 mortgage, pledge, encumber, alienate, or otherwise dispose of, or exclude from the  
6 Airport System, any Facilities constituting a part of the Airport System which have, in  
7 the opinion of the Manager, ceased to be necessary for the efficient operation of the  
8 Airport System, or which have been replaced by other Facilities of at least equal value,  
9 except to the extent the City is prevented from so doing by any contractual limitation  
10 relating thereto. The net proceeds of the sale of any Facilities under this section shall  
11 be applied as provided by the General Bond Ordinance.

12 Section 1009. Loss from Condemnation. If any part of the Airport System shall  
13 be taken by the exercise of a power of eminent domain, the amount of any award  
14 received by the City as a result of such taking shall be applied as provided by the  
15 General Bond Ordinance.

16 Section 1010. Records and Accounts. Proper books of record and account shall  
17 be kept by the City, as provided by the General Bond Ordinance.

18 Section 1011. Audits Required. The City shall cause an Independent  
19 Accountant to audit such books and records of the Airport System for each Fiscal Year  
20 and to prepare an audit report; such audit and report to be made and prepared as soon  
21 as practicable following the close of such Fiscal Year.

1 Section 1012. Contents of Audit Reports. Each such audit report shall be in  
2 such reasonable detail as may be required, shall be in accordance with generally  
3 accepted accounting principles, and shall otherwise be as provided by the General  
4 Bond Ordinance.

5 Section 1013. Tax Covenants. The City hereby covenants for the benefit of  
6 each owner of any Junior Lien Bond that it shall not (i) make any use of the proceeds of  
7 any Junior Lien Bonds, any fund reasonably expected to be used to pay the principal of  
8 or interest on any Junior Lien Bonds, or any other funds of the City; (ii) make any use of  
9 any Airport Facilities; or (iii) take (or omit to take) any other action with respect to any  
10 Junior Lien Bonds, the proceeds thereof, or otherwise, if such use, action or omission  
11 would, under the Tax Code, cause the interest on any Junior Lien Bonds to be included  
12 in gross income for federal income tax purposes. Notwithstanding such covenant, the  
13 City may issue Junior Lien Bonds the interest on which is intended to be included in  
14 gross income for federal income tax purposes and, in such event, the provisions of the  
15 foregoing covenant and any other requirement of this Ordinance intended to establish  
16 or maintain the exclusion from federal income taxation of interest on such Junior Lien  
17 Bonds shall be inapplicable to such Junior Lien Bonds.

## 18 ARTICLE XI

### 19 MISCELLANEOUS

20 Section 1101. Defeasance. This Instrument and any Junior Lien Bonds may be  
21 defeased, as follows:

1           A.     Defeasance of Instrument. If, when the Junior Lien Bonds secured  
2 hereby shall become due and payable in accordance with their terms or otherwise as  
3 provided in this Instrument, and the whole amount of the principal of, premium, if any,  
4 and interest due and payable upon all of the Junior Lien Bonds shall be paid, or  
5 provision shall have been made for the payment of the same, together with all other  
6 sums payable hereunder, then all covenants, agreements and other obligations of the  
7 City to the owners of Junior Lien Bonds shall thereupon cease, terminate and become  
8 void and be discharged and satisfied. In such event, upon the request of the City, any  
9 fiduciary or agent shall assign and transfer to the City all property then held by it, shall  
10 execute such documents as may be reasonably required by the City, and shall turn over  
11 to the City any surplus held by it in any fund, account, or subaccount. Upon such  
12 defeasance, all money held by or on behalf of the City hereunder may be used for any  
13 lawful purpose relating to the Airport System.

14           B.     Defeasance of Junior Lien Bonds.

15           (1)    Any Junior Lien Bonds of any one or more series shall, prior to the  
16 maturity or Redemption Date thereof, be deemed to have been paid within the  
17 meaning and with the effect expressed in this section if: (1) in case such Junior  
18 Lien Bonds are to be redeemed on any date prior to their maturity, the City shall  
19 have given irrevocable instructions to effect due notice of redemption on such  
20 Redemption Date, if such notice is required; (2) there shall have been deposited  
21 in a Junior Lien Bond Escrow Account, either moneys in an amount which shall  
22 be sufficient, or Defeasance Securities which shall not contain provisions  
23 permitting the redemption thereof at the option of the obligor, the principal of and

1 interest on which when due, and without any reinvestment thereof, shall provide  
2 moneys which, together with the moneys, if any, deposited with or held in such  
3 Junior Lien Bond Escrow Account, at the same time and available therefor, shall  
4 be sufficient to pay when due the principal of, premium if any, and interest due  
5 and to become due on such Junior Lien Bonds on and prior to the Redemption  
6 Date or maturity date thereof, as the case may be; (3) no such Junior Lien Bond  
7 shall be subject to optional or mandatory tender prior to the maturity or  
8 Redemption Date thereof; and (4) in the event such Junior Lien Bonds are not by  
9 their terms subject to redemption within the next 60 days, the City by  
10 Supplemental Junior Lien Bond Ordinance shall have given irrevocable  
11 instructions to effect, as soon as practicable and in the same manner as the  
12 notice of redemption is given pursuant to Section 307 hereof or as otherwise  
13 provided by Supplemental Junior Lien Bond Ordinance, notice to the owners of  
14 such Junior Lien Bonds that the deposit required by (2) above has been placed  
15 in such Junior Lien Bond Escrow Account and that such Junior Lien Bonds are  
16 deemed to have been paid in accordance with this section and stating such  
17 maturity or Redemption Date upon which moneys are to be available for the  
18 payment of the principal of, premium, if any, and interest on such Junior Lien  
19 Bonds. Neither such Defeasance Securities (or principal or interest payments  
20 received with respect thereto) nor moneys placed in such Junior Lien Bond  
21 Escrow Account shall be withdrawn or used for any purpose other than the  
22 payment of the principal of, premium, if any, and interest on said Junior Lien  
23 Bonds and such Defeasance Securities or moneys shall be held in trust solely for

1 the payment of such principal of, premium, if any, and interest on such Junior  
2 Lien Bonds; provided, any cash received from the principal or interest payments  
3 on such Defeasance Securities if not then needed for such purpose, shall, to the  
4 extent such cash will not be required at any time for such purpose, shall be paid  
5 over to the City for any lawful purpose relating to the Airport System free and  
6 clear of any trust, lien, security interest, or otherwise under this Instrument, and  
7 to the extent such cash will be required for such purpose at a later date shall be  
8 reinvested in Defeasance Securities maturing at times and in amounts sufficient  
9 to pay when due the principal of, premium, if any, and interest to become due on  
10 such Junior Lien Bonds on or prior to such Redemption Date or maturity date  
11 thereof, as the case may be. Any such Junior Lien Bonds shall no longer be  
12 secured by or entitled to the benefits of this Instrument, except for the purpose of  
13 any payment from such moneys or Defeasance Securities placed in such a  
14 Junior Lien Bond Escrow Account.

15 (2) As to Junior Lien Variable Rate Bonds, the amount required for the  
16 interest thereon shall be calculated at the maximum rate which such Junior Lien  
17 Variable Rate Bonds may bear prior to maturity or applicable Redemption Date;  
18 provided, however, that if on any date, as a result of such Junior Lien Variable  
19 Rate Bonds having borne interest at less than such maximum rate for any  
20 period, the total amount of moneys and such Defeasance Securities on deposit  
21 for the payment of interest on such Junior Lien Variable Rate Bonds is in excess  
22 of the total amount which would have been required to be deposited on such  
23 date in respect of such Junior Lien Variable Rate Bonds in order to fully

1 discharge and satisfy such Junior Lien Variable Rate Bonds pursuant to the  
2 provisions of this section, the City may use for lawful purposes relating to the  
3 Airport System the amount of such excess free and clear of any trust, lien,  
4 security interest, pledge or assignment securing such Junior Lien Variable Rate  
5 Bonds or otherwise existing under this Instrument.

6 (3) Notwithstanding any provisions of this Instrument to the contrary,  
7 Junior Lien Option Bonds may only be fully discharged and satisfied by  
8 depositing moneys or Defeasance Securities which together with other moneys  
9 lawfully available therefor shall be sufficient at the time of such deposit to pay  
10 when due the maximum amount of principal of, premium, if any, and interest on  
11 such Junior Lien Option Bonds which could become payable to the owners of  
12 such Junior Lien Option Bonds upon the exercise of any options provided to the  
13 owner of such Junior Lien Option Bonds or upon the mandatory tender thereof;  
14 provided, however, that if, at the time such a deposit is made, the options  
15 originally exercisable by the owner of an Option Bond are no longer exercisable  
16 or such Junior Lien Option Bonds are no longer subject to mandatory tender,  
17 such Option Bond shall not be considered an Option Bond for purposes of this  
18 paragraph. If any portion of the moneys deposited for the payment of the  
19 principal of, premium, if any, and interest on Junior Lien Option Bonds is not  
20 required for such purpose, the City may use for lawful purposes relating to the  
21 Airport System the amount of such excess free and clear of any trust, lien,  
22 security interest, pledge or assignment securing said Junior Lien Option Bonds  
23 or otherwise existing under this Instrument.

1           Upon compliance with the provisions of this section with respect to all series of  
2 Junior Lien Bonds then Outstanding, this Instrument may be discharged in accordance  
3 with the provisions of this section, but the liability of the City in respect of such Junior  
4 Lien Bonds shall continue provided that the owners thereof shall thereafter be entitled  
5 to payment only out of such Junior Lien Bond Escrow Account.

6           In no event shall any Junior Lien Bonds be deemed paid for purposes of this  
7 Section by virtue of their purchase upon optional or mandatory tender, except as  
8 otherwise provided by Supplemental Junior Lien Bond Ordinance.

9           Notwithstanding anything in this Section 1101 to the contrary, this Instrument  
10 shall not be deemed discharged as to any Junior Lien Obligation until all amounts due  
11 thereunder shall be paid in full, and, in the case of any Junior Lien Credit Facility  
12 Obligation, the related Junior Lien Credit Facility has terminated in accordance with its  
13 terms, unless otherwise agreed by the beneficiary thereof.

14           Section 1102. Delegated Powers. The Mayor, Auditor, Clerk, Treasurer,  
15 Manager and other officers and employees of the City be, and hereby are, authorized  
16 and directed to take all action necessary or appropriate to effectuate the provisions of  
17 this Instrument.

18           Section 1103. Evidence of Owners. Any request, consent, or other instrument  
19 which this Instrument may require or may permit to be signed and to be executed by the  
20 owner of any Junior Lien Bonds may be in one or more instruments of similar tenor and  
21 shall be signed or shall be executed by each such owner in person or by his or her  
22 attorney appointed in writing. Proof of the execution of any such instrument or of an

1 instrument appointing any such attorney, or the ownership of any person of the Junior  
2 Lien Bonds shall be sufficient for any purpose of this Instrument (except as otherwise  
3 herein expressly provided) if made in the following manner.

4           A.     Proof of Execution. The fact and the date of the execution by any  
5 owner of any Junior Lien Bonds or his or her attorney of such instrument may be  
6 provided by the certificate, which need not be acknowledged or verified, of an officer of  
7 a bank or trust company satisfactory to the Clerk or of any notary public or other officer  
8 authorized to take acknowledgments of deeds to be recorded in the state in which he or  
9 she purports to act, that the individual signing such request or other instrument  
10 acknowledged to him the execution, or an affidavit of a witness of such execution, duly  
11 sworn to before such notary public or other officer; the authority of the individual or  
12 individuals executing any such instrument on behalf of a corporate owner of any Junior  
13 Lien Bonds may be established without further proof if such instrument is signed by an  
14 individual purporting to be the president or vice-president of such corporation with a  
15 corporate seal affixed and attested by an individual purporting to be its secretary or an  
16 assistant secretary; and the authority of any person or persons executing any such  
17 instrument in any fiduciary or representative capacity may be established without further  
18 proof if such instrument is signed by a person or persons purporting to act in such  
19 fiduciary or representative capacity; and

20           B.     Proof of Ownership. The ownership of any fully registered Junior  
21 Lien Bond, the amount and numbers of such Junior Lien Bonds, and the date of owning  
22 the same shall be proved by the registration records of the Junior Lien Bond Registrar,

1 but the Clerk may nevertheless in his or her discretion require further or other proof in  
2 cases where they deem the same advisable.

3 Any request or consent of the owner of any Junior Lien Bond shall bind all future  
4 owners of such Junior Lien Bond in respect of anything done or suffered to be done by  
5 the City in accordance therewith.

6 Section 1104. Holidays. Except as otherwise provided by Supplemental Junior  
7 Lien Bond Ordinance or any credit agreement or similar instrument in respect of any  
8 Junior Lien Credit Facility, if the date for making any payment or deposit or the last date  
9 for performance of any act or the exercise of any right, as provided herein or by  
10 Supplemental Junior Lien Bond Ordinance, shall be a Saturday, Sunday, legal holiday  
11 or other day on which banking institutions in the City are authorized by law to remain  
12 closed, such payment or deposit may be made or act performed or right exercised on  
13 the next succeeding day not a Saturday, Sunday, legal holiday or other day on which  
14 such banking institutions are authorized by law to remain closed, with the same force  
15 and effect as if done on the nominal date so provided, and no interest shall accrue for  
16 the period after such nominal date.

17 **ARTICLE XII**

18 **DEFAULTS, RIGHTS AND REMEDIES OF BONDOWNERS**

19 Section 1201. Owner's Remedies. Each owner of any Junior Lien Bond shall be  
20 entitled to all of the privileges, rights, and remedies provided herein, and as otherwise  
21 provided or permitted at law or in equity or by other statutes, except as otherwise

1 provided herein or in a Supplemental Junior Lien Bond Ordinance with respect to Junior  
2 Lien Credit Enhanced Bonds. Each beneficiary of any Junior Lien Obligation shall be  
3 entitled to all of the privileges, rights, and remedies provided in a Supplemental Junior  
4 Lien Bond Ordinance with respect to such Junior Lien Obligation or as provided in any  
5 agreement relating to such Junior Lien Obligation.

6 Section 1202. Right to Enforce Payment. Nothing in this article affects or  
7 impairs the right of any owner of any Junior Lien Bond to enforce the payment of such  
8 Junior Lien Bond in accordance with its terms.

9 Section 1203. Events of Default. Each of the following events is hereby  
10 declared an "event of default":

11 A. Senior Bonds. An event of default shall have occurred in respect of  
12 any Senior Bonds;

13 B. Subordinate Bonds. An event of default shall have occurred in  
14 respect of any Subordinate Bonds;

15 C. Nonpayment of Principal and Premium. Payment of the principal of  
16 any Junior Lien Bonds, or any prior redemption premium due in connection therewith, or  
17 both, is not made when the same becomes due and payable, either at maturity, by  
18 mandatory or optional prior redemption, or otherwise;

19 D. Nonpayment of Interest. Payment of any installment of interest on  
20 any Junior Lien Bonds is not made when the same becomes due and payable;

1 E. Nonpayment of Junior Lien Obligations. Payment of the principal  
2 of, interest on, or any other amount due in connection with any Junior Lien Obligation is  
3 not made when the same becomes due and payable;

4 F. Nonperformance of Any Provisions. The City fails to perform any  
5 of the representations, covenants, conditions, agreements, and other provisions  
6 contained in any Junior Lien Bonds or in this Instrument on its part to be performed,  
7 and such failure continues for sixty days after written notice specifying such failure and  
8 requiring the same to be remedied is given to the City by the owners of 25% in principal  
9 amount of the Junior Lien Bonds then Outstanding; provided, however, that it shall not  
10 be considered an event of default under this subparagraph if the Manager determines  
11 that corrective action has been instituted within such sixty day period and is being  
12 diligently pursued;

13 G. Other. Such other events of default as are provided for any series  
14 of Junior Lien Bonds in any Supplemental Junior Lien Bond Ordinance.

15 The City may, by Supplemental Junior Lien Bond Ordinance or in any agreement  
16 relating to any Junior Lien Obligation, agree to any and all events of default contained  
17 in this Section 1203 as well as any additional events of default with respect to Junior  
18 Lien Obligations.

19 Section 1204. Remedies for Defaults. Upon the happening and continuance of  
20 any of the events of default provided in Section 1203 hereof, then (except as otherwise  
21 expressly provided by Supplemental Junior Lien Bond Ordinance with respect to Junior  
22 Lien Credit Enhanced Bonds), and in each and every such case, so long as such event

1 of default shall not have been remedied, unless the principal of all the Junior Lien  
2 Bonds shall have already become due and payable, the owners of not less than 25% in  
3 principal amount of the Junior Lien Bonds then Outstanding (by notice in writing to the  
4 City, Junior Lien Bond Paying Agent, if any, and Junior Lien Bond Registrar, if any),  
5 may declare the principal of all the Junior Lien Bonds then Outstanding, and the interest  
6 accrued thereon, to be due and payable immediately, and upon such declaration the  
7 same shall become and be payable on the date so declared (interest accruing  
8 thereafter to cease), anything in this Instrument or in any of the Junior Lien Bonds  
9 contained to the contrary notwithstanding. The right of the owners of not less than 25%  
10 in principal amount of the Junior Lien Bonds to make any such declaration as aforesaid,  
11 however, is subject to the conditions that if, at any time after such declaration, but  
12 before the Junior Lien Bonds shall have matured by their terms, all overdue  
13 installments of interest upon the Junior Lien Bonds, together with interest on such  
14 overdue installments of interest to the extent permitted by law and the reasonable and  
15 proper charges, expenses and liabilities of the owners, and all other sums then payable  
16 by the City under this instrument (except the principal of, and interest accrued since the  
17 next preceding interest date on, the Junior Lien Bonds due and payable solely by virtue  
18 of such declaration) shall either be paid by or for the account of the City or provision  
19 satisfactory shall be made for such payment, and all defaults under the Junior Lien  
20 Bonds or under this Instrument (other than the payment of principal and interest due  
21 and payable solely by reason of such declaration) shall be made good and any Junior  
22 Lien Credit Facility securing the Junior Lien Bond Requirements of such Junior Lien  
23 Bonds has been reinstated to an amount equal to its stated amount immediately

1 preceding any drawing thereunder in respect of any such default, then and in every  
2 case the owners of a majority in principal amount of the Junior Lien Bonds Outstanding,  
3 by written notice to the City may rescind such declaration and annul such default in its  
4 entirety, then any such declaration shall ipso facto be deemed to be rescinded and any  
5 such default and its consequences shall ipso facto be deemed to be annulled, but no  
6 such rescission and annulment shall extend to or affect any subsequent default or  
7 impair or exhaust any right or power consequent thereon.

8 In addition, upon the happening and continuance of any of the events of default,  
9 as provided in Section 1203 hereof, then (except as otherwise expressly provided by  
10 Supplemental Junior Lien Bond Ordinance with respect to Junior Lien Credit Enhanced  
11 Bonds), and in every case the owner or owners of not less than 25% in principal  
12 amount of the then Outstanding Junior Lien Bonds may proceed, against the City and  
13 its agents, officers, and employees to protect and to enforce the rights of any owner of  
14 the Junior Lien Bonds under this Instrument by mandamus or by other suit, action, or  
15 special proceedings in equity or at law, in any court of competent jurisdiction, either for  
16 the appointment of a receiver or for the specific performance of any covenant or  
17 agreement contained in this Instrument, or by an award of execution of any power  
18 herein granted for the enforcement of any proper, legal, or equitable remedy as such  
19 owner or owners may deem most effectual to protect and to enforce the rights  
20 aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of  
21 any right of any owner of any Junior Lien Bond, or to require the City to act as if it were  
22 the trustee of an expressed trust, or any combination of such remedies. All such

1 proceedings at law or in equity shall be instituted, had and maintained for the equal  
2 benefit of all owners of all the Junior Lien Bonds then Outstanding.

3 The City may, by Supplemental Junior Lien Bond Ordinance or in any agreement  
4 relating to any Junior Lien Obligation, confer upon the beneficiary of any Junior Lien  
5 Obligation, any and all rights and privileges of the owners of Junior Lien Bonds relating  
6 to the remedies set forth herein as well as any additional rights and privileges.

7 Section 1205. Receiver's Rights and Privileges. Any receiver appointed in any  
8 proceedings to protect the rights of such owners hereunder, the consent to any such  
9 appointment being hereby expressly granted by the City, may enter and take  
10 possession of the Airport System subject to the rights and privileges of any lessee or  
11 other user under any lease or other contract, may operate and maintain the same, may  
12 prescribe rentals, rates, fees, and other charges, and may collect, receive, and apply all  
13 Gross Revenues and any other revenues relating to the Airport System arising after the  
14 appointment of such receiver in the same manner as the City itself might do.

15 Section 1206. Rights and Privileges Cumulative. The failure of any owner of  
16 any such Outstanding Junior Lien Bond to proceed in any manner herein provided shall  
17 not relieve the City, its Council, or any of the City's officers, agents, or employees of any  
18 liability for failure to perform or carry out any duty, obligation, or other commitment. No  
19 delay or omission of any owner of any Outstanding Junior Lien Bond to exercise any  
20 right or power upon any default shall exhaust or impair any such right or power or shall  
21 be construed to be a waiver of any such default or acquiescence therein. Each right or  
22 privilege of any such owner is in addition and is cumulative to any other right or

1 privilege, and the exercise of any right or privilege by or on behalf of any owner shall not  
2 be deemed a waiver of any other right or privilege thereof.

3 Section 1207. Duties upon Defaults. Upon the happening of any of the events  
4 of default provided in Section 1203 hereof, the City, in addition, shall do and perform all  
5 proper acts on behalf of and for the owners of any Junior Lien Bonds to protect and to  
6 preserve the security created for the payment thereof and to insure timely payment  
7 thereof.

8 During the continuance of an event of default, subject to the prior rights and  
9 privileges of the owners of any Senior Bonds or any Subordinate Bonds and subject to  
10 any limitations with respect to payment of Junior Lien Credit Enhanced Bonds, the City  
11 shall, after payment (but only out of moneys received other than pursuant to a draw on  
12 a Junior Lien Credit Facility) of the amounts required for reasonable and necessary  
13 Operation and Maintenance Expenses and for the reasonable renewals, repairs and  
14 replacements of the Airport System necessary in the judgment of the City to prevent a  
15 loss of Gross Revenues, apply all moneys, securities, funds under this Instrument,  
16 including without limitation Gross Revenues, as an express trust for the owners of the  
17 Junior Lien Bonds and apply the same as follows and in the following order:

18 A. Unless the principal of all of the Junior Lien Bonds shall have  
19 become due and payable,

20 (1) First, to the payment to the persons entitled thereto of all  
21 installments of interest then due in the order of the maturity of such installments,  
22 together with accrued and unpaid interest on the Junior Lien Bonds theretofore

1 called for redemption, and, if the amount available shall not be sufficient to pay in  
2 full any installment or installments maturing on the same date, then to the  
3 payment thereof ratably, according to the amounts due thereon, to the persons  
4 entitled thereto, without any discrimination or preference; and

5 (2) Second, to the payment to the persons entitled thereto of the  
6 unpaid principal or redemption price of any Junior Lien Bonds which shall have  
7 become due, whether at maturity or by call for redemption, in the order of their  
8 due dates, and, if the amount available shall not be sufficient to pay in full all the  
9 Junior Lien Bonds due on any date, then to the payment thereof ratably,  
10 according to the amounts of principal or Redemption Price due on such date, to  
11 the persons entitled thereto, without any discrimination or preference.

12 B. If the principal of all of the Junior Lien Bonds shall have become  
13 due and payable, to the payment of the principal and interest then due and unpaid upon  
14 the Junior Lien Bonds without preference or priority of principal over interest or of  
15 interest over principal, or of any installment of interest over any other installment of  
16 interest, or of any Junior Lien Bond over any other Junior Lien Bond, ratably, according  
17 to the amounts due respectively for principal and interest, to the persons entitled  
18 thereto without any discrimination or preference except as to any difference in the  
19 respective rates of interest specified in the Junior Lien Bonds.

20 If and whenever all overdue installments of interest on all Junior Lien Bonds,  
21 together with the reasonable and proper charges, expenses and liabilities of the  
22 owners, and all other sums payable by the City under this Instrument, including the

1 principal and Redemption Price of and accrued unpaid interest on all Junior Lien Bonds  
2 which shall then be payable, shall either be paid by or for the account of the City, or  
3 provision shall be made for such payment, and all defaults under this Instrument or the  
4 Junior Lien Bonds shall be made good or secured, thereupon the owners and the City  
5 shall be restored to their former positions and rights under this Instrument.

6 To the extent such revenues, if any, exceed such requirements, both accrued  
7 and to accrue to their respective fixed maturity dates or to any Redemption Dates  
8 relating thereto, whichever is earlier, such Gross Revenues shall be applied to payment  
9 of Junior Lien Bonds. If the City fails or refuses to proceed as in this section provided,  
10 the owner or owners of not less than 25% in principal amount of the Junior Lien Bonds  
11 then Outstanding, after demand in writing, may proceed to protect and to enforce the  
12 rights of the owners of the Junior Lien Bonds as hereinabove provided; and to that end  
13 any such owners of Outstanding Junior Lien Bonds shall be subrogated to all rights of  
14 the City under any agreement, lease, or other contract involving the Pledged Revenues  
15 or the Airport System entered into prior to the effective date of this Instrument or  
16 thereafter while any such Junior Lien Bonds are Outstanding.

17 As and to the extent provided by Supplemental Junior Lien Bond Ordinance the  
18 City may extend the provisions and priorities of this Section to the payment of Junior  
19 Lien Obligations.

20 Section 1208. Duties in Bankruptcy Proceedings. If any such lessee or other  
21 user of the Airport System proceeds under any laws of the United States relating to  
22 bankruptcy, including, without limitation, any action under law providing for corporate

1 reorganization, it shall be the duty of the City and its appropriate officers are hereby  
2 authorized and directed to take all necessary steps for the benefit of the owners of the  
3 Junior Lien Bonds in such proceedings, including, without limitation, the filing of any  
4 claims for unpaid rentals, fees, other charges, and other payments due to the City or  
5 otherwise arising from the breach of any of the covenants, terms, or conditions of the  
6 lease or any other contract relating to the Airport System, unless the Manager  
7 determines that the costs of such action are likely to exceed the amounts thereby  
8 recovered from such obligor.

9 As and to the extent provided by Supplemental Junior Lien Bond Ordinance the  
10 City may extend the provisions of this Section to the payment of Junior Lien  
11 Obligations.

12 Section 1209. Prejudicial Action Unnecessary. Nothing in this Article requires  
13 the City to proceed as provided therein if the Manager determines in good faith and  
14 without any gross abuse of his or her discretion that if the City so proceeds it is more  
15 likely than not to incur a net loss rather than a net gain or such action is otherwise likely  
16 to affect materially and prejudicially the owners of the Outstanding Senior Bonds,  
17 Subordinate Bonds, or Junior Lien Bonds or the beneficiaries of Subordinate  
18 Obligations or Junior Lien Obligations.

19 Section 1210. Notice of Default. The City shall mail to the owners of Junior Lien  
20 Bonds, written notice of the occurrence of any event of default; provided that, except in  
21 the case of an event of default described in subsections C and D of Section 1203, the

1 City shall be protected in withholding such notice if such action is in the best interests of  
2 the owners of Junior Lien Bonds or the beneficiaries of Junior Lien Obligations.

3 Section 1211. Protection of Senior Bonds and Subordinate Bonds. Nothing in  
4 this article requires or permits the City to proceed in a manner prejudicial to the rights  
5 and privileges of the owners of any Senior Bonds or Subordinate Bonds or beneficiaries  
6 of any Subordinate Obligations; and, notwithstanding any provision hereof to the  
7 contrary, such rights and privileges shall be senior and prior to the rights and privileges  
8 of any owners of Junior Lien Bonds set forth herein.

9 **ARTICLE XIII**

10 **AMENDMENT OF INSTRUMENT**

11 Section 1301. Amendments Without Consent. The City may adopt  
12 Supplemental Junior Lien Bond Ordinances amending or supplementing this Instrument  
13 without the consent of or notice to the owners of Junior Lien Bonds or Junior Lien  
14 Obligations, as follows:

3 which, in the opinion of an attorney or firm of attorneys whose experience in matters  
4 relating to the issuance of obligations by states and their political subdivisions is  
5 nationally recognized, do not materially and prejudicially affect the right of the owners of  
6 any Junior Lien Bonds or the beneficiaries of any Junior Lien Obligations.

7           Section 1302. Other Amendments. In addition, this Instrument may be  
8 amended or supplemented by a Supplemental Junior Lien Bond Ordinance without  
9 receipt by the City of any additional consideration, but with the written consent of the  
10 owners of Junior Lien Bonds which constitute more than 50% in aggregate principal  
11 amount of all Junior Lien Bonds Outstanding at the time of the adoption of such  
12 Supplemental Junior Lien Bond Ordinance and affected by such amendment or  
13 supplement.

14           Section 1303. Limitations upon Amendments. Notwithstanding the provisions of  
15 Sections 1301 and 1302 hereof, no such Supplemental Junior Lien Bond Ordinance  
16 shall permit without the consent of the owner of any Outstanding Junior Lien Bond or

2 in the Supplemental Junior Lien Bond Ordinance authorizing such Junior Lien Bond or  
3 Junior Lien Obligation) in the principal amount of any Outstanding Junior Lien Bond or  
4 Junior Lien Obligation, the rate of interest thereon, or any prior redemption premium  
5 payable in connection therewith; or

12          E.     Priorities Between Junior Lien Bonds. The establishment of  
13 priorities as between Junior Lien Bonds issued or incurred under the provisions of this  
14 Instrument, other than as may be expressly permitted herein;

15           All owners of Junior Lien Bonds or Junior Lien Obligations, by the purchase  
16 and/or acceptance (as applicable) of any Junior Lien Bonds or Junior Lien Obligations  
17 and in consideration of the same, are deemed to have consented to the adoption of the  
18 Proposed Amendments (as defined in the Official Statement dated November 17, 2016  
19 relating to the City and County of Denver, Colorado, for and on behalf of its Department  
20 of Aviation, Airport System Revenue Bonds, Series 2016A) to the General Bond  
21 Ordinance, either in whole or in part, substantially in the form set forth in Appendix C of  
22 such Official Statement, and to the appointment of UMB Bank, n.a. (or its successors or

1 assigns) as their agent with irrevocable instructions to file a written consent to that  
2 effect at the time and the place and in the manner provided in the General Bond  
3 Ordinance.

4 Section 1304. Notice of Amendment. Whenever the Council proposes to  
5 amend or modify this Instrument under the provisions of Section 1302 hereof, it shall  
6 cause notice of the proposed amendment to be mailed:

7 A. Owners. To the owners of all the Junior Lien Bonds then  
8 Outstanding; and

9 B. Junior Lien Bond Purchasers. To the Junior Lien Bond Purchaser  
10 of the Junior Lien Bonds then Outstanding, or to any successor thereof known to the  
11 Clerk.

12 Such notice shall briefly set forth the nature of the proposed amendment and  
13 shall state that a copy of the proposed amendatory instrument is on file in the office of  
14 the Clerk for public inspection.

15 Section 1305. Time for Amendment. Whenever at any time within one year  
16 from the date of such notice, there shall be filed in the office of the Clerk an instrument  
17 or instruments executed by the required number of owners, which instrument or  
18 instruments shall refer to the proposed Supplemental Junior Lien Bond Ordinance  
19 described in such notice and shall specifically consent to and approve the adoption of  
20 such instrument, thereupon, but not otherwise, the Council may adopt such  
21 Supplemental Junior Lien Bond Ordinance and such instrument shall become effective.

1           Section 1306. Binding Consent to Amendment. If the required number of  
2 owners, at the time of the adoption of such Supplemental Junior Lien Bond Ordinance,  
3 or the predecessors in title of such owners, shall have consented to and approved the  
4 adoption thereof as herein provided, no owner of any Junior Lien Bond whether or not  
5 such owner shall have consented to or shall have revoked any consent as in this article  
6 provided, shall have any right or interest to object to the adoption of such Supplemental  
7 Junior Lien Bond Ordinance or to object to any of the terms or provisions therein  
8 contained or to the operation thereof or to enjoin or restrain the City from taking any  
9 action pursuant to the provisions thereof.

10           Section 1307. Time Consent Binding. Any consent given by the owner of a  
11 Junior Lien Bond pursuant to the provisions of this article shall be irrevocable for a  
12 period of six months from the date of the notice above provided for in Section 1304 and  
13 shall be conclusive and binding upon all future owners of the same Junior Lien Bond  
14 during such period. Such consent may be revoked at any time after six months from  
15 the date of such notice, by the owner who gave such consent or by a successor in title  
16 by filing notice of such revocation with the Clerk, but such revocation shall not be  
17 effective if the required number of owners, prior to the attempted revocation, consented  
18 to and approved the Supplemental Junior Lien Bond Ordinance referred to in such  
19 revocation.

20           Section 1308. Unanimous Consent. Notwithstanding any of the foregoing  
21 provisions of this article, the terms and the provisions of this Instrument and the rights  
22 and the obligations of the City and of the owners of all Outstanding Junior Lien Bonds  
23 issued hereunder may be amended or otherwise modified in any respect upon the

1 adoption by the City and upon the filing with the Clerk of a Supplemental Junior Lien  
2 Bond Ordinance to that effect and with the consent of the owners of all the then  
3 Outstanding Junior Lien Bonds (and, to the extent required by any Supplemental Junior  
4 Lien Bond Ordinance, the beneficiaries of any Junior Lien Obligations), such consent to  
5 be given as provided in Section 1306 hereof; and no notice to owners of Junior Lien  
6 Bonds shall be required, and the time of consent shall not be limited except as may be  
7 provided in such consent.

8           Section 1309. Notation on Junior Lien Bonds. Junior Lien Bonds authenticated  
9 and delivered after the effective date of any action taken as in this article provided may  
10 bear a notation by endorsement or otherwise in form approved by the Council as to  
11 such action; and if any such Junior Lien Bond so authenticated and delivered shall bear  
12 such notation, then upon demand of the owner of any Junior Lien Bond Outstanding at  
13 such effective date and upon presentation of his or her Junior Lien Bond for the  
14 purpose at the principal office of the Clerk or Junior Lien Bond Registrar, suitable  
15 notation shall be made on such Junior Lien Bond by the Clerk or Junior Lien Bond  
16 Registrar as to any such action. If the Council so determines, new Junior Lien Bonds  
17 so modified shall be prepared, authenticated, and delivered; and upon demand of the  
18 owner of any Junior Lien Bond then Outstanding, shall be exchanged without cost to  
19 such owner for Junior Lien Bonds then Outstanding upon surrender of such Junior Lien  
20 Bonds.

21           Section 1310. Proof of Instruments and Junior Lien Bonds. The fact and date of  
22 execution of any instrument under the provisions of this article, the amount and number

1 of the Junior Lien Bonds owned by any person executing such instrument, and the date  
2 of his or her owning and the same may be proved as provided by Section 1103 hereof.

3 Section 1311. Additional Junior Lien Obligation Rights. Nothing in this article  
4 shall limit the rights of the beneficiary of any Junior Lien Obligation conferred by  
5 Supplemental Junior Lien Bond Ordinance or by any agreement executed pursuant  
6 thereto.
