

Denver International Airport Environmental Policy

Denver International Airport (DEN) is dedicated to working with our partners to promote strong environmental performance. Our organization and employees are committed to business practices, policies, actions, and programs that enhance our performance by:

- *Protecting the environment*
- *Conserving energy and natural resources*
- *Preventing pollution*
- *Meeting or exceeding all compliance obligations and voluntary commitments*
- *Continually improving the Environmental Management System (EMS)*

This policy shall be communicated to all employees, individuals working on behalf of or under the direction of DEN, and business partners operating on airport premises. Each is accountable for following this policy and reporting any environmental, health, or safety concerns to DEN management.
